

Median Household Income

2012 - 2016

Data source: U.S. Bureau of the Census, 2012-2016
American Community Survey (ACS) 5 year estimates, 2017
Table B19013
Geography: 2010 TIGER/Line Shapefile

The median divides the income distribution into two equal parts: one-half of the cases falling below the median income and one-half above the median. For households and families, the median income is based on the distribution of the total number of households and families including those with no income.
